Bandicoot Motor Inn

Harry, the owner of Bandicoot Motor Inn, was on the lookout for a helping hand with maintenance and gardening.

That's when he reached out to the team at are-able Hamilton. Together, we sat down to figure out how we could help.

It turned out Harry needed more than just the tasks done. He needed someone reliable, someone he could trust. That's where are-able stepped in and introduced Harry to Craig – a perfect match for the role.

Fast-forward a year, and Craig is doing an amazing job. He's become an invaluable part of the Bandicoot Motor Inn family. Living proof that, with the right fit, great things can happen!

Beechworth Bakery

Jordan Ditloff, the manager at Beechworth Bakery, was on the hunt for not one, but two, new team members.

He was determined to create an opportunity for every corner of the local community, so he reached out to are-able to see if we had any potential candidates.

As it turned out, we had a handful of amazing candidates lined up. They were pre-screened and ready to shine. Among them were Melissa and Katrina, two job seekers who ticked all the right boxes: enthusiasm, maturity, life skills, and a willingness to learn.

"Both Katrina and Melissa are mums coming back into the workforce... we have a lot of staff here who are younger, and having that balance of backgrounds gives a really nice well-rounded feel to the team," said Jordan.
