

# Where the community gets creative

Let your creativity shine with Artlink – a creative arts-based social inclusion activity, funded through the NDIS ‘Social & Community Participation’ Funding. With Artlink, you can try your hand at a variety of individual and group projects, whilst meeting other members of the community. It’s a fun, supportive way to express yourself through art, create unique pieces of art using recycled materials, and enjoy participating without the need for any prior experience. Just come along and have a go!
