

Technoholics
FILM & EDIT

Dive into the exciting world of filmmaking using the latest technology!

Lights, camera, action! Get ready to unleash your creativity and tech savvy skills in this fun-filled program. Our goal? To produce a new film, from start to finish, while learning and having fun along the way.

Join us both on and off-site as we film interviews with members of the community, honing our social skills and connecting with others. From setting up cameras to mastering editing software, participants will gain hands-on experience in all aspects of filmmaking.

Where

Are-able Social Enterprises
11 Albert St, Warrnambool

Who

Anyone with an interest in learning more about technology and filming.

NDIS Funding

Funding for this enriching experience is available through the NDIS 'Social and Community Participation' funding. So, let's get creative and make some amazing films together!
